E' un' opinione abbastanza comune che tanto tempo fa, al contrario di oggi, nell'arma più amata e rispettata dagli italiani potessero entrare anche persone analfabete e bravi ragazzi a cui le famiglie non potevano permettersi di dare un'adeguata istruzione. Quindi è nata la convinzione che tra i carabinieri ci fossero persone che seppur molto devote al lavoro, fossero un po' sempliciotte e ignoranti. Da qui il perché sono nate tantissime barzellette su di loro.
